PARENT ACKNOWLEDGMENT UNDESIGNATED MEDICATIONS

For all Parents/Guardians:

By signing below, I agree that I am primarily responsible for administering medication to my child. However, in the event that I am unable to do so or in the event of a medical emergency, I hereby authorize the School District and its employees and agents, in my behalf, to administer or to attempt to administer to my child (or to allow my child to *self-administer* pursuant to State law, while under the supervision of the employees and agents of the School District), lawfully prescribed medication in the manner described above. This includes administration of undesignated epinephrine auto-injectors or opioid antagonist to my child when there is a good faith belief that my child is having an anaphylactic reaction or opioid overdose, whether such reactions are known to me or not (105 ILCS 5/22-30, amended by P.A. 99-480). **I acknowledge that it may be necessary for the administration of medications to my child to be performed by an individual other than a school nurse and specifically consent to such practices**, and I agree to indemnify and hold harmless the School District and its employees and agents against any claims, except a claim based on willful and wanton conduct, arising out of the administration or the child's self administration of medication.
