On Wednesday July 29, the IHSA Board of Directors modified all sports seasons for the 2020-2021 school year. Some fall sports will not be allowed to happen in the fall as normal. As a result, the IHSA calendar has been adjusted. Teams will play shortened regular season schedules in the winter, spring, and summer. State Series events for all sports will be determined on a sport by sport basis. Please visit the following link for more detailed information from IHSA:

The IHSA moved volleyball and football from the fall to the spring with a start date of February 15. Boys and girls golf will remain in the fall and may begin practice on August 10. Boys and girls golf will have their parent meeting on Thursday August 6, at 6:00 p.m. on the high school football field so that social distancing can be maintained. All students will need to make sure that they have a current up-to-date physical on file prior to the start of their respective sport.
